

Avenue Services Neighbourhood Plan 2019/2020

Information for applicants

Our Neighbourhood Plan has five key themes for investment. Each of these themes is outlined below and expanded on, to show a defined list of impacts. We refer to this list as our impact framework.

When you apply for funding from Avenue Services, we will help you to review your project against our impact framework, to identify any which your project is likely achieve.

If you are successful in gaining Neighbourhood Plan funding, we will work with you to put simple steps in place to measure these impacts. This helps us to capture the difference our funding makes each year.
